

ABOUT US

Founded in 1987, Perth Amboy Catholic School (PACS) remains committed to serving the evolving needs of our community. We provide a challenging and nurturing environment that fosters the spiritual, academic, social, and emotional growth of every child.

At PACS, we cherish the sacredness of family and journey together with our students and their families through these formative years. Rooted in faith and tradition, our school cultivates life-long learners who lead lives of service, stewardship, and leadership.

Our graduates have pursued meaningful careers in education, healthcare, law, business, public service, and the clergy. Many are now proud parents of current PACS students, continuing our legacy of faith and excellence.

Religion:

At PACS, faith is the foundation of our community. Each day begins and ends with prayer, fostering a strong spiritual connection and a deep sense of gratitude. Through daily religious instruction, we enlighten our students with the teachings of Jesus, guiding them to live with faith, compassion, and integrity. Students in grades 5-8 attend daily Mass at St. Stephen Church, strengthening their relationship with Christ through worship and reflection. On Fridays, the entire school gathers for Mass, celebrating our shared faith as a community. Our students take an active role in liturgical celebrations, serving as lectors and altar servers. These opportunities equip them with leadership skills and instill a lifelong commitment to faith and service.

Academics:

At PACS, our STREAM-integrated curriculum nurtures critical thinking, creativity, and faith formation through hands-on, inquiry-based learning. We offer a well-rounded program in Mathematics, Science, Social Studies, Language Arts, Spanish (6-8), Religion, Physical Education, Music, and Art. Students in grades 6-8 can participate in Accelerated Mathematics to strengthen their analytical skills. Committed to faith-based learning, students in grades 5-8 attend daily Mass, fostering spiritual growth and Catholic values.

So many ways to get involved! 🏀🎭🎨👤🌟
